Dear Tom,

A special thank you to Tom, Joanne, Chris, Nicole, Chef Matt and the entire Headliner team for helping all of us at Phoenix Mfg Inc. execute another fantastic event! Personally and professionally I have hosted many events at several locations in New Jersey and even out of state. Out of all of the places that I have used, The Headliner has by far been the best in all areas. Your service is second to none with the way each of you accommodate my company and all of our guests (not to mention letting us change the date of the event an entire week due to a snowstorm in the Spring), the place is a perfect venue to host a large gathering especially with all of our displays, the guests raved about the food, it was like a wedding - well done Chef Matt, and the price for this was extremely reasonable! It is obvious that The Headliner and their team really care about what they do and in turn they truly care about making our events the best! I am still getting calls from my guests thanking us for a great time! I wouldn't look anywhere else to host a party or event!

Thanks again,
